Regarding the proposed energy bill hike, does duke energy need to be audited? Checks and balances, debits and credits, record keeping, underlining, etc. Who works in the accounting and billing? Is an upper management personnel embezzling?

My boys [REDACTED] their receptionist, [REDACTED], and the rest of the crew would go ballistic on the company. 24 hour service in extreme temperature is no joke. Properties from Florida to Ohio is a vast territory. Fixing Blue Ridge cooperative errors constantly.

Can we say early retirement? This company paid for my surgeries and college education. Great stock investment!
